

GLASS a WINE is set to Revolutionize Global Wine Markets

* **OUTSTANDING AUSTRALIAN WINES ARE NOW AVAILABLE BY THE GLASS**

* **WE NO LONGER NEED TO OPEN A BOTTLE OF WINE TO ENJOY A GLASS**

* **“GLASS a WINE” IS ALL ABOUT GREAT AUSSIE WINES BY THE GLASS**

Australia has an enviable reputation for producing outstanding wines. Talented winemakers have created a bewildering and diverse range of first class wines from an impressive selection of grape varieties impacted by diverse soil, topography, weather and climate conditions.

GLASS a WINE in partnership with selected Australian wineries is delighted to announce it is distributing a limited range of great Australian wines in convenient reusable single serve glasses.

GLASS a WINE utilises:

- Internationally patented single serve technology
- Award winning Australian wines
- Direct distribution channels to global markets

GLASS a WINE is developing wine 'by the glass' in global markets in partnership with:

- **Australian Wineries:**

incorporating unique branding and packaging, providing contract filling services and accessing direct distribution channels to international markets

- **International Distributors:**

utilising their global channels, supplying great wines 'by the glass' to their clients in domestic and export markets

- **Commercial Users:**

supplying airlines, hotel mini bars, restaurants, event and cruise operators to provide their clients with outstanding wines in single serve glasses.

GLASS a WINE invites those excited by the global opportunities single serve wine provides to join with us in participating in the international success of this wine revolution.

GLASS a WINE is initially introducing two fine Australian wines under the **evoque** brand:

evoque wine SHIRAZ 2017 Orange Region NSW AUSTRALIA

Produced under organic conditions with no synthetic chemical inputs added in its preparation. A traditional, full bodied Shiraz with a lingering finish. Dark cherry and violet aromas with flavours of ripe plum and vanilla. Ideal to accompany red meats, pizzas, pastas and cheese platters.

13.5%ALC/VOL; STANDARD DRINKS: 2.08 (per 188ml glass); 8.30 (per 750ml 4 pack);

evoque wine SAUVIGNON BLANC 2018 Orange Wine Region NSW AUSTRALIA

Produced under organic conditions with no synthetic chemical inputs added in its preparation. Orange, Australia's highest cool climate wine region is well suited to this variety where it makes highly aromatic white wines with a diversity of flavours. A traditional, elegant, fresh crisp Sauvignon Blanc. Fresh passionfruit and lemongrass aromas with a citrus driven palate.

Ideal to accompany seafood, salads and cheese platters.

12.1% ALC/VOL; STANDARD DRINKS: 1.78 (per 188ml glass); 7.11 (per 750ml 4 pack);

We trust you enjoy **GLASS a WINE**'s expanding range of quality Australian wines.
